Think I've re-listened to about 4 EP's and 8 LP's today. Not bad.

Muse-Bliss

Cheesy lyrics.

Everything about you resonates happiness~

Made less cheesy by me associating that line with my super happy, hyperactive 10-year old girl RP character (Who's almost 13 in the RP now but eh)

Your soul can't hate anything~

Associating that one with the above character and another one of my characters that's got major depressive disorder and PTSD.

Everything about you is so easy to love~

This ones just cheesy, but kinda fits for another related to my character falling in love in like 2 weeks...

...I have too many characters...and I think about them way too much.

My Life -- Billy Joel

Just your basic wretched hive of scum and villainy.
Pro: Bacon, Pittsburgh Steelers, 80's Music, Star Wars.
Anti: Salad, Denver Broncos, One Direction, Justin Bieber, The "Brony" fad.
Yes, I know that it's spelled "Tatooine" and not "Tatoeene," but the correct spelling was already taken, so don't bug me about it.
