Free Jeililand is a strong, patriotic society of settlers exiled from a failed state that didn't respect the citizen's right to refuse to participate in a chaotic, uncontrolled, and vile society.

That's why the federal police force control everything instead of the government. How orderly and well kept!

The heat death of the universe

MT set in 2023; probably slightly less fucked than RL at this point. NS stats shot with a longbow at Agincourt.
