Very well known

All NS Stats are canon.

Oh, and I guess you can make up anything else about this nation, like geography and such, based on your own imagination. I don't really plan on writing lore on this nation, at least for now.

I tend to see them around a lot, so I'd say well known.

Probably one of the most well known users to have ever touched the NS forums

If you use it even a little bit, chances are that you'll have seen them

Extremely well-known in F7. Not so much in other boards.

Drongonia's reputation precedes him (I think I've got that right?) in the best way possible! With a foot in Forum 7 as a poster and contributor, and another in Factbooks and National Information as the premier maker of indexes that feel meaningful to fill out and fun to get results for, I think plenty of long-time users know Drongonia's name, and many users learn it in due time.

I saw a lot of them a year or two ago. Not very much recently.
They're kind of well known though.

Potentially better known in the past, but plenty known still. I actually see them the most in this very thread.

Almost certainly known by almost all who regularly use NS as a familiar (and friendly ☐) user. Very very well known.

Are you aggressively coked-out? Do you join regions for no reason? Do you like copious amounts of drugs, eating Mexican food from taco trucks and the searing hot desert sun? Join Calexico and Mexicali then, moron.
Do you too wish to patrol the Senora, almost making you wish for a nuclear winter? If so, consider joining our Embassy Program

A bit well known, but only recently since they're relatively new. There was a "San Andreas Republic" (without the "new") a few years ago who was quite active, however. Not sure if this one is a continuation of that or an entirely different thing altogether. Ninja'd.

AN: I'd say quite, since they're very active on F7. Not so much in other forums, though.
