No government, it's just a bunch of pandas. As cute as they are, they're not intelligent enough to even have societies.

Communist republic.

Anglo-Saxons with guns, insurrectionist tendencies, and strong traditional values.
Ideologies: Frontierism, guild economics, georgism, environmentalism, fervent nationalism.

Now then, now then, I need you to do me *a little favour*. You give me your toys and Jim'll fix them. Alright?

Oh, and remember kids, I'm innocent. Don't be scared of me.

Fascist Theocratic Dictatorship

So I only created this nation because it was available at the Create A Nation section

My nation - which is pretty much just a unified Korea with some extra territory - represents my real views, as does pretty much anything I say on the forums. NS stats only broadly representative. Feel free to call me Q&K, Quartia, or any other nickname.

Greater Olympus is always looking for more dastardly democracies, maniacal monarchies, contemptible commies, and glorious failed states of all sizes to join our group!
