8/10. Seen them a lot in F7.

Hello, hello, hello! Greetings from the land of domestic tranquility, the nation of promethazine-taking citizens, the country with designs all over Freely Guads—the Perpetually Shining Paradise of Click Ests Vimgalevytopia!!! Here, drive your car past a starving homeless man, or run them over—nobody cares! Want to set off a bomb, irradiating the landscape for a radius of five miles? Want to enslave an entire family, and make them work mercilessly in the cruel Cluminianoctuluminiluculactfilian mines? Want to create a gamma ray burst that disrupts the natural processes of a billion hungry worlds? Go on ahead! As per the Cluminianoctuluminiluculactfilian words, if you can think of it, you can do it.

Not that well known, personally the first time I have ever seen them on the forums, and Europe isn't particularly a relevant region that many of it's residents get any coverage or fame outside of it.

Fairly well known, you see them around frequently enough, but not to the extent of some people like Archona and Sencaria back in the day, they're definitely getting to that point, though. High 6s.
