Too lazy to go to wikipedia ☐
Except I just did.

Rush - 2112 Part III: Discovery

Albums are in alphabetical order, of course 2112 will be the starter ☐

Actually I typed it all out myself earlier. ☐

Followed by my fav Rush album, A Farewell To Kings. Nice.

"We're Going Wrong"--Cream

But here's the trick! WMP doesn't recognize A, An or The. Yes, it says them, but it doesn't affect the order. Which means that before A Farewell to Kings there is Caress of Steel, Clockwork Angels, Counterparts and Exit...Stage Left. ☐

Rush - 2112 Part V: Oracle: The Dream

Darn, yet those albums are great too, so I can't complain.

Munly and the Luperkalians-Bird

#36th on RYM for 2010. Not bad for only 200 ratings.

Munly-Cat

He seems to sing differently on each song, which is impressive.

Despite my comment of not enjoying Munly as a vocalist all the time, he's still a very interesting and impressive vocalsit.

Munly-Heater

Except on this...This is kinda...annoying. But this was his first album from 1996...
