Yes! Sign me up for fantasy Doctor Who adventures.

Zravvisk is the name of our species, but other people commonly call us "Space Dragons".
Don't meddle in the affairs of dragons for you are crunchy and tolerable with condiments.
A day in the Armada isn't too different from a Star Trek episode if almost everyone in the Federation was a dragon and spiritual.
Trying to collect every NS pokemon card. Almost 630 collected.

Probably not.

"The Sith are masters of the Galaxy. No-one, not even the Jedi can surpass our power."-Darth Nox.
The Sith Empire is one of many Star Wars nations, it is based off the Sith Empire from the popular online RPG known as "Star Wars: The Old Republic", we are in no way connected to the Galactic Empire as seen in the original trilogy.
We must also inform you that we do not use NS-Stats, as we are a spacefaring nation that rules part of a galaxy, those stats would not mesh together with our lore.

It doesn't seem too bad, so maybe yes

SELSKA IS THE ROOT TRAIN, BROTHER!

When the student movement spills across the *Katastrophestaat*, one underground shelter erupts into a refugee rebellion. Co-opted by an eccentric Eco-National Bolshevik Afrocentrist and his posse, Selska is the last holdout of a people just hoping to survive - but can this revolution last a changing overground?
