Nah, just kidding. (Still, who's to say that your people aren't going around giving others flower-based allergies? 😊 )

I'm sorry. Your flag is just so friendly. It practically screams "we love everyone!"

NS Stats are sacrificed to the Dark Lord. This nation does not represent my actual views. I'm also not an orc IRL. Shocking, isn't it?

If you haven't read our factbook; there reason we're as reactionary as we are, the reason we hate imperialism, a good number of other races, and even why we exist as a militant church, is because our homeland was colonized by xenophobic racists, who later went on to kill a highly respected member of our community. We don't even want to invade anyone. We just want our continent back.
