Great now I have to go listen to The Killers for hours.

Vaguely a pessimist, certainly an absurdist, unironically an antinatalist.

The Skeezi Dilemma - Tourniquet

“ **The Empire of Pretantia wrote:**  
[...] TLDR; welcome to the internet. Bicker or GTFO.

"Why is self-control, autonomy, such a threat to authority? Because the person who controls himself, who is his own master, has no need for an authority to be his master. This, then, renders authority unemployed. What is he to do if he cannot control others? To be sure, he could mind his own business. But that is a fatuous answer, for those who are satisfied to mind their own business do not aspire to become authorities." ~ Thomas Szasz
