6729 jumped off a building after he repeated a joke and his friends, 6728 and 6727, said "we heard you the first time".

6728 and 6727 also jumped to death out of guilt.

6726 suffocated when he was locked in a metal safe and there was a small pinhole that let all of the air out.

\*Yes, I know that that ain't how air works.\*

6720 was flying a plane, which crashed into the Amazon Rainforest. He accidentally introduced a disease to the area, wiping out a whole tribe, and upon being rescued, was convicted of genocide and executed.

Rezmaeristan mostly represents my views, but in some ways represents stereotypes of fascist countries.
