NS Stats were forced into exile in the aftermath of a non-violent
democratic revolution.

Is that even possible?

This nation does not entirely express my views. But my sig does!

**Pro: Capitalism, free market, Republicans, LGBTQ+ rights, religious
rights, Separation of Church & State even though I'm Christian.**

**Against: Too much government regulations, homophobes,
islamophobes, the type of liberals I have in my mind, people on all the
extreme parts of the political compass, people that assume all
Christians are homophobic and transphobic**
