My country may seem memey at times, and that's fine. I like a mix of fun and serious. I also have to work with a nation I made when I was in *fourth grade*.

3 days 4 hours ago: Following new legislation in Trash fires, female restaurant chefs are not allowed to have male customers.

What's the deal with rainbows? I mean sure, they are pretty, but why do people think they're gay? So there's a rainstorm, then it stops and the sun comes out. When people look at the new rainbow, do people think, "Oh, it's pretty!", or do they think, "That's gay"? What is up with that?
