Quite well known across several forums.

I'm aware of them due to NSS activity, seems pretty well known within their region, as well as a monster F7 post count so pretty well known.

Edit: Ninja'd. Not well known.

They seem to be very active in NSS, but that's pretty much it.

Extremely well known, especially in F7 and the F&NI forums. I don't think you could go a week on this site without seeing or hearing about Drongonia.

Very well known, think I've said this already but, while they may be  
known in F7 and NSS, they were also known in Gameplay and regional  
politics for a bit.
