Raphael Saadiq - Oh Girl (Remix) (feat. Jay-Z)

No...no...just no. Jay-Z does not belong on this shit. Easily the worst song on this album.

8.2/10 overall. Not bad, but too many love songs (pretty much the whole album actually); some work but other just feel a bit generic. Sonically it was amazing though.

The singles made me somewhat interested in this album. Actually not too bad so far.
