Imperialist Semi-Constitutional Monarchy

Official translation of our motto: For the future!  
Here is the 'principality of progress', ruled by Prince Liucijus I, who has implemented a series of reforms ever since his coronation in order to modernize the country. As he glances out of that fine palace in the capital city of Sedvariija, he wonders what's next, as time keeps accelerating forward.

A federal left-wing nationalist country situated in a fictional world in the extended Cold War timeline. Authoritarian by Western standards, Libertarian by Eastern standards. Atomic Tech - The year is 1978.

In process of retconning, especially regarding geography and demographics.
