If it's not a bother, what's some Brazilian music you'd recommend? All I've listened to are Os Mutantes, Tim Maia, and that one metal band.

With only a few exceptions here and there, I usually only listen to rock, when we're talking about Brazilian music. Some cool bands/artists I recommend? Os Paralamas do Sucesso, Legião Urbana (I don't like Legião that much, but they are still well known despite the fact that the band was disbanded, and yeah, they have one, two songs that I like, but you might enjoy, I don't know), Capital Inicial, Ultraje a Rigor, Titãs, Cássia Eller. Those are the ones that come to my mind as of now.

And just to say that I didn't contribute to the thread again:

Os Paralamas do Sucesso - "Na Pista"

They had to ruin it, so this sig has nothing. You won't see me in the forum again. You know where to find my factbooks, have fun!

Stam1na - Arveton On Arvoton

Formerly **Videssos**. Just a femboy-obsessed degenerate. Also interested in history, mythology, fantasy, science fiction, metal and some other stuff.
A little bird told me, "Go, Go! Socialise! Talk to those fine people! And then, KILL EVERY LAST ONE OF THEM! Plunge your knife into their throats when they ain't lookin', and then burn 'em to the ground!"
Well that's silly, isn't it?
