"I Walk Alone" by Tarja Turunen

Edit: Now it's "Lost Northern Star", also by Tarja.

I'm listening to Over the Hills and Far Away by Nightwish.

Yeah, listen to that too from time to time, amongst other songs. So these days, It's often Nightwish, Tarja, Porcupine Tree, Epica, After Forever, and Eluveitie that I listen to.

A little bird told me, "Go, Go! Socialise! Talk **[Now a member of Mirakai's harem]** to those fine people! And then, KILL EVERY LAST ONE OF THEM! Plunge your knife into their throats when they ain't lookin', and then burn 'em to the ground!" Well that's silly, isn't it?

My sister listens to Epica, and like 1 Nightwish song.

Kitsunegari, The Teknoist.

neat!

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.
