Myself fanny about in drop D tuning.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.

Chillout Reggae music.  
I forget the name and band.

*"Everything takes time. Bees have to move very fast to stay still."*
