7:30 AM and you haven't gone to bed? Here it's 5:30 PM and I'm about to go to bed. I blame night time work, I have to get up 30 minutes past midnight.

Weird job schedules seem annoying. My brother had for the first time in years where he actually had a normal schedule with no possibility of work on the weekends. Before that he could have where he was working mid day and then has to come in early in the morning next day...And my dad right now is working Saturdays up until E3 I think. Kinda sucks only having one real day where we see him. Especially since he's also working late and working like 60 hour weeks right now.

Lykke Li-Gunshot

Eh, so far the first 2 tracks are my favorite.

One plus side is that the almost 60 hour weeks, and the 20 extra hours a week (Plus 10 extra per hour because of overtime pay) is kinda nice when we've been having money problems.

...Not that we still aren't, but yeah.

Lykke Li-Never Gonna Love Again

Never gonna love in the first place!
