A bunch of crickets outside.

Sebtopiaris is a culturally and ethnically Mediterranean, single-party democratic socialist state in the New Warsaw Pact with a population of 39 million Sebtopiarists. Sebtopiaris and its IC actions do not represent my personal beliefs, and Sebtopiaris's overview page does not represent much at all.

Hmm, just narrowed down my Swans playlist massively, because most of Swans isn't really on here and that was like compilation albums and whatnot...I want the full albums, not compilation albums.

Oh well. They used to have Soundtracks For the Blind on here. Not anymore.

Though I did find one that has like 4 of their albums in one....might be tempted, but eh.
