The country is very large and rich, and is entirely run by the defense industry. They also use memetic kill agents and redactions for classified documents (for experimental technologies like FTL drives and a magic plane that does all sorts of crazy shit), like the SCP Foundation.

Their flag was adopted after they gained the status of "commonwealth" within the British Empire in 1952.

Blue Stripe: Represents their maritime heritage and belief in liberty and democracy.

White Stripe: Represents the harmony between their disparate peoples, and the desire for continued peace and prosperity.

Symbol: The mitsudomoe, which represents their entire history, while the green, red, and blue colors represent the islands that make up their country as well as being acknowledging their British-Japanese roots.

It's the Soviet Union, but part of an even bigger space-filling communist union taking up all of Asia, Oceania, and some parts of Europe, Africa, and North America. Capitalist policies were adopted in the early 21st century but were then reversed.
