A minimum sentence of 30 years for hijacking an aircraft, (if applicable) crashing an airplane and property damage. It could be higher if people are killed.

Trying to nuke a city after trapping the city by destroying its bridges and trapping the police (or YNs variant) in the sewers?

Slavery is a heinous crime, which will get you a life sentence per slave. (You can die in Biwolfia and come back either alive or as a spirit or spectre, so multiple life sentences are applicable)

Destroying a school building with a stolen wrecking ball crane worth your nation's equivalent of 1 million dollars and then burning down a nearby forest.
