They seem to be quite new to me, and well, this is the first time I'm seeing them. Perhaps they are yet to be quite well-known, but that may change in the future.

Easily recognizable face on the forum. Signature is basic, but it gets enough across. Flag isn't bad either. Overall, someone I've seen on here a good amount, and has crafted a reputation for themselves.

I've been seeing them around a lot in several forums for a long time, so they must be well-known for frequent visitors. Their name is kind of memorable too.

Not known at all. Today is their first day on the forums from what I can see.

Above Ninja: They're starting to get a name for themselves around here. Their flag is already starting to look rather distinctive to me. They seem to be quite known in the General forum as well.
