4/10. More of a footnote in the forums, unknown in gameside outside of TRR, where even then, they may be known, but not by too many people, and certainly not for the best reasons.

A frequent poster for someone who's so new, and fair enough they're quite recognizable in terms of name (though I would get them confused for Cypotpir on a tired day), 7/10.

New Lockelle is a friend of mine, and thus I'd know her status in popularity...

If counting her 633710293156226659462 alternate accounts, she is quite famous. Her main's name alone is recognized sitewide.

Pretty darn well known.
