Mayhem - *Washed Out EP*

Usually, I'd pick out a handful of tracks from an album/EP/compilation and post them here, but for this one I think it's best heard from front to back. It's only 26 minutes and 5 tracks long and all of it is very unique and catchy electro house.

Imperial States of Duotona

Duotona is a nation nestled in the Pacific Ocean. Marked by the scars of its bloody past, the people of Duotona persist and have given the nation a voice from which it preaches the word of peace and democracy across the globe!

Nation reflects OOC views. NS stats are sent to the shadow realm.

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.
