I see them a lot in F7. I'm willing to bet they're somewhat well known.

Factbooks and dispatches (which are works in progress) are the primary source of information for my nation. I try to have my stats match my idea of my nation but I think policies are the stat I can control the most.

I don't dislike anyone here. Agree or disagree, we're all compadres. :-)

I think they're well known judging by the amount of posts they have. Unfortunately I never venture to International Incidents and instead stay in the waters of F7 and Factbooks and National Information

They're barely more than a month old so I can hardly say they're universally known, but I have also been on hiatus for months on end so I can hardly say for sure.

Not really well known.

My beliefs. Dogs and cats are both equal, racism is bad, Joe Mama jokes are funny, and TRR is better than any other region.
