AAARRRRRRRRGRAHHHHHHHHH

That New Nation Commonly Referred To As Concord Haven

Quel est la réalité? Mon souffle, tellement mécanique!

A grey rain falls on Revachol. The city soaks in it, cold and dripping. Waves hit the concrete breakers. The homeless huddle by the fires behind the fences. There, among the shacks, is your home. Stay. Have a drink. This is somewhere to be. This is all you have, but it's still something. Streets and sodium lights. The sky, the world. You're still alive.

No.

Concord Haven?

Hello there. I'm **Simonia**, your average leporine TG-loving F7er. Our nation has twenty-one provinces, four regions, and four capitals. And before you ask, Pink Castle City is called that for its pink castle, Pink Castle City's main building.

Right-center Constitutional Republic on a (sub)tropical island, with advanced technology and a strong, resilient military.

We strongly believe in secularism, national security and meritocracy.

NS stats are canon, but the first information source are factbooks.

Distributist, pagan, history buff, civil libertarian, mostly republican, but willing to accept some monarchy as well being a big King Charles III stan. You've been warned. I'm also very skeptical and critical of Fourth Wave feminism. Delvian States is a confederal monarchy with autonomous principalities that often have their own laws. NS Policies aren't entirely reliable canon for that reason at least.

"Reflect, if you will, how you are to govern a people who think that they ought to be free and think that they are not. Your scheme yields no revenue. It yields nothing but discontent, disorder, and disobedience. And such is the state of America, that after wading up to your eyes in blood, you can only end just where you began....." - Edmund Burke
