Monkey 1362, the manufacturer of the car, was sued. Facing legal and financial stress, he committed suicide, although it's rumored that he faked his death and is now living in Ukraine.

Monkey 1348 saw what happened to monkeys 1358-1350, had a Winter War flashback, and suffered a stroke from the sheer amount of history rhyming.

Monkey 1343 was subjected to numerous experimental sessions of Halo Infinite. Researchers found him unresponsive after playing the same map for the fourteenth time.

If you've had the unfortunate experience of viewing my horribly antiquated political views, I apologize. I am a far different person than I was in 2016, so bear with me.
