Asleep At The Wheel - *Roly Poly*

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

Depends on the genre of the music really

If it's something like rap or alternative rap it's Del tha Funkee Homosapien, The Pharacyde and some others that I sometimes listen to but they are the main people I listen to

I've been slowly getting into rock music and have been listening to mostly Rage Against the Machine, Finger Eleven and some other guys
