Except it actually is, only problem is its mentally-ill adherents are simply too stupid to realize it.

I don't stand with Ukraine. I don't stand with Russia. I don't stand with the US, NATO, or EU. I stand with the innocent civilians being caught in the crossfire while the politicians, the media, and weapons manufacturers continue to stoke division and conflict in their geopolitical chess games and treat the people of Ukraine as mere pawns. Zelensky is a corrupt, opportunist oligarchic politician who is not fit to lead Ukraine through anything and wants to inflate his own ego and offshore accounts.

Officially non-religious, but there's likely to be various personality cults.

Irish Catholic settler state founded in the 1860s by impoverished Irish nobility, and later joined by Fenians, disgruntled Irish-Americans, criminals originally bound for Australia, and Scottish refugees from the Highland Clearances. Society is strictly bound by Victorian morality and dominated by the Catholic Church and to a lesser extent the Anglican Church of Ireland. In the modern day, the nation is still unsure if it is part of the Anglosphere or the Gaeltacht.

Clogheen has a small but powerful fantasy element.
