That although they are located on terraformed Mars, and houses would probably look way differently now, their capital's houses still look way too much similar to 21st century houses.

(Sorry, kinda had to bump this)

When you look for "European Federation" banner and find only one "Britannia" poster, you know that it is not Europe in the minds of Napoleon, Metternich or Bismarck, but maybe Victoria.

Their South Africa is not going to have a Nelson Mandela anytime soon.
