Going off the flag in their factbooks, I would say a highly militaristic authoritarian state.

Why do people include fictional characters in their flags?

I know that's not the Serbian flag, but that's the first thing I thought of

A socialist republic in the southern parts of a vague North America analogue.

It's territory is comprised of the former Republic of Kato Van and Kingdom of Radaa (Kato Vanian puppet state)

NS stats aren't representative of the country exactly, still working stuff out
