Feudal, theocratic, magocratic absolutely monarchy holding the very source of life on the planet as hostage.

KINGDOM OF ENGLAND • An independent England set several decades in the future, administrated by a Blue Labour-esque group with imperialist tendencies.

Dual Monarchy (two royal families sharing absolute power)

Imperial States of Duotona

Duotona is a nation nestled in the Pacific Ocean. Marked by the scars of its bloody past, the people of Duotona persist and have given the nation a voice from which it preaches the word of peace and democracy across the globe!

Nation reflects OOC views. NS stats are sent to the shadow realm.
