Social Labor Party seems pretty cool.

An alt-history Turkey where Recep Erdogan and his Justice and Development Party lose the 2005 election and never enter government. MT, shared nation between Barlyy and Arisyan (though Ari doesn't sign in on it often).

AAN: Im disappointed at the lack of an eco-socialist party. It would be so easy to get one made. In any case, I would semi-reluctantly vote for CATGIRL FEYRIS ANARCHO-SYNDICALIST SYNDICATES!

An alt-history South America where 7 Brazilian states and sections of Suriname, Venezuela and Guyana separate to form their own country after the Bolsonaro regime nearly burns down the Amazon.

There used to be a "Green Party of Feyrisshire", but it dissolved after they were convinced that the Communist Party of Feyrisshire is already supporting environmentalist and ecologically sustainable policies.

AN: Probably Centrist-Liberal Party, but I would also consider Conservative Party or Libertarian-Green Party depending on the platforms.

BN: If you choose a party with factions (i.e. Liberal, SDP, or National), perhaps also say what faction you would most align with/vote for.

“

If men were angels, no government would be necessary. If angels were to govern men, neither external nor internal controls on government would be necessary. In framing a government which is to be administered by men over men, the great difficulty lies in this: you must first enable the government to control the governed; and the next place, oblige it to control itself.
