[Factbook](#)

*Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.*

*Rocket Jumping Waltz - VALVe Studio Orchestra*

The Republic of New Teufort is a nation formed in 1887 after declaring independence from the Mexican Republic in 1886. The Principality of New Teufort is a union made up of Teufort, Badlands, Alamo and Sunshine Valley. New Teufort does not represent my political views. NS Stats are useless. New Teufort is based in the Greater Badlands. New Teufort is a nation that fights a war depending on it's gains.
