that's a lot of .jpg aliasing, it is. other than that, I guess they've managed to tamp down on light pollution quite a bit, and get beautiful images of the night sky as a result.

It seems AN doesn't have a primary banner selected. I guess I will interpret that as a desire not to choose only one image to represent the nation, but rather to show various images that could represent AN 😊

The primary banner appears to be the dome of St. Peters Basilica, so I assume they're either set in Italy/Rome, or very devout as a Christian (Catholic) nation.
