It is 1938, 20 years after the **Great War** and the German humiliation, and democracy has persisted in **Germany** in spite of attempts to subvert it from the secret societies of the far-right **Thule Society** and the reds of the **KPD**. However, **Berlin** becomes a battleground of poverty, debauchery, and political extremism as various paramilitary forces fight against each other in the streets. Yet the development of a secret arcane martial art known as the **Seelenfluss** and the weaponization of esoteric lethal fencing techniques may change the tip of German politics forever...

I can confirm that everything in **Pers'** the funny Germany's sig is completely true and that Hyperborean Seelenfluss masters are currently attempting to force me to move to an undisclosed location in Xizang Province, the People's Republic of China, where I will be held until I am sacrificed to the Northern Gods.

Please call Chinese emergency services I need help please.

You will never be able to retcon your country, this is Nationstates. Doing large scale things like that is impossible and completely unrealistic. Maybe you should sell Wexas merch instead like uhuh BigTex hoodies or Wexas cowboy hats or something.
