Benny Goodman - All I Do Is Dream Of You

Found this among the 150-ish vinyls my grandmother gave me. Turns out the LP is from 1956.

I'm totally geeked right now. ☐ ☐

If liberty means anything at all, it means the right to tell people what they do not want to hear. - George Orwell

Wise men speak because they have something to say; fools because they have to say something. - Plato

Even though I think Kendrick is awesome, I can see where his voice and possibly his flow could turn people off. Took some time to get used to it myself.

That song is definitely the best thing I've heard from him since he released his last album (2 years ago).

Benny Goodman - I'll Always Be In Love With You

...I think. Always hard to tell with vinyl if you're not familiar with the LP. ☐
