Washcloth. I'm gonna need to you sell me all your redwoods.

Quel est la réalité? Mon souffle, tellement mécanique!

A grey rain falls on Revachol. The city soaks in it, cold and dripping. Waves hit the concrete breakers. The homeless huddle by the fires behind the fences. There, among the shacks, is your home. Stay. Have a drink. This is somewhere to be. This is all you

have, but it's still something. Streets and sodium lights. The sky, the world. You're still alive.

Femboy Biden

Sons of Liberty - On 2121 in the Commonwealth of Columbia: Finance has become consolidated, people escape to virtual realms for the perfect world, parasocial relationships with machines forms, eugenics has returned and algorithms shapes every part of human perspective in an America stripped of its identity by their Europan overlords. However, a few bands of patriots have taken upon themselves to restore Americana idealism in an age of ironic cynicism after seizing Earth's last remaining nukes. Trying to make them remember America and casting a sword of Damocles over Europe from the oil rigs and bunkers scattered throughout whilst engaged in a memetic warfare over ideals.

This nation is dedicated to the brave patriots of America
