The Raven Man

I don't know how smart I am. I might be more wrong than I think.

I believe that maintaining the earth should be our first priority.
I believe in the harm principle as expressed in the fourth and fifth articles of the *Declaration of the Rights of Man and of the Citizen*.
I believe that gender roles are redundant.

Bisexual and genderfluid. I accept all pronouns. You don't have to worry about unintentionally offending me.

Whoa, my life was cool.

Godulan Puppet #2, RPing as technologically advanced tribal society founded by mongols and vikings (and later with multiple other Asian and Native American cultures) motivated by an intrinsic devotion to the spirit of competition. They'll walk softly, talk softly, and make soothing noises as they stab you in the back and take your stuff... unless you're another Caleshan, whereupon they'll only stab you in the back *figuratively*!

Used NS stats: Population. That's it. Anything else not stated in the factbooks is not used.
