After watching the sky with a spider in a world without sound, Monkey 8208 became afraid and jumped off a diff to die out of its fear.

Monkey 7992 visited the Silver Commonwealth wearing a "I ♥ Fishy Apples" t-shirt and peed on Tom's servers, causing Tom to momentarily crash. Whether or not they died from getting electrocuted obviously didn't matter in the long run, because at this point, one could take their pick, about the monkey peeing on Tom, or just getting off the plane wearing that shirt & mocking Tom's stance on non-humans, it meant that before this day was over, this was one **DEAD** money.
