If men were angels, no government would be necessary. If angels were to govern men, neither external nor internal controls on government would be necessary. In framing a government which is to be administered by men over men, the great difficulty lies in this: you must first enable the government to control the governed; and the next place, oblige it to control itself.

I think I would vote for the Hercules Independence Party (HIP). I'm not sure why they want to be independent but they probably deserve it and greater political autonomy is usually a good thing.

Despite the rather unfortunate acronym, probably the Freedom for all Party.
Firearm liberty would probably be the most important issue.

Edit

Democratic Party most likely, they seem to be the only one with gun rights on the agenda lol.

The only one I really agree with is the Xeno Suffrage Society.

(also, a note to Azania: I much preferred your previous party factbook than your current one.)
