Far-right ruling party Action française gets 24.67% of all National Assembly seats in recent French parliamentary elections.

NOOO :(. monarchist france again? but wait, if they're monarchist, wouldn't they institute at least a constitutional monarchy instead of still making the head a president?

(They're the leading party, this is not a "good thing" for that party because the party that holds the presidency is basically the 2nd largest party in the NA right now. I ran out of space to put all of this in rip) /skip

Houston boy, 5, dies after being left in car for hours while mom prepared daughter's birthday party.

This is f*cked up on so many levels Jesus Christ

Edit: Sorry Meadowfields

Cleanup underway as Uxbrigh floods finish, with a total death toll of 6,349

I will always be surprised at the vast number of casualties in the incidents in your newsreel but then I'll remember that the population of Meadowfields is like over 600,000,000.

Ashotu is a country in south asia where rice is common.

Rice is good, tastes nice. I like to have salt, maybe butter with it though, so I hope Ashotu also has those.
