Perhaps, this is hell.

We've done quite a good job at emulating its environment!

From the Minister of Foreign Affairs of the Marineri Islands:
The central emblem on the **Marineri Islands** flag represents a **penu**, a traditional carved rock or coral tool common across the Austral Islands (irl part of French Polynesia) which is used to crush food, similar to a pestle.

It is not a dress.

why can't anyone pronounce keltionialang? it's pretty simple. but alas, the name was generated, and I have changed what I want my nation to be over time.
