Absolute Monarchy with an Aristocratic Oligarchy

The Jacobin destruction of the Sistine Chapel causes the papacy to be moved to Vienna, and become incorporated directly into the House of Habsburg and Austrian politics

And by some series of not yet spelled out so consider it alt-hist wizardry, the Archduchy of Austria becomes a semi-democratic federation in order to keep the nation stable, while the monarchy still retains significant executive authority

Officially, a decentralized agrarian league of cities populated by feral pokemon.

De facto, a counterintelligence state governed by Pikachu ethnonationalists set on wiping out the other Pokemon in the country.
