Monkey 9986 was forced to listen to mumble rap. His head exploded shortly thereafter.

"The Barons of England demanded the Security of Law *for Themselves*, the Patriots of America proclaimed the Security and Protection *for All*. **All men are equal before the Law.** No matter upon what spot of the Earth's surface they were born; no matter whether an Asiatic or African, a European or an American Sun first burned upon them; no matter whether citizens or strangers, no matter whether rich or poor, no matter whether wise or simple, no matter whether strong or weak, this new Magna Carta to Mankind declares the rights of All to Life and Liberty and Property are Equal Before the Law."
