AAN: Maybe not that well known (yet) on F7. Definitely probably has a lot of name and stories to tell from NSGP, and decently known there.

AN: Yeah, pretty well known on F7, that's for sure!

Seen them a few times before. Moderately to pretty well known.
Their flag is always recognizable, though, and I've started to
recognize their name.

I have never seen this person, and given the number of posts I'm
guessing not really.

Imperial States of Duotona

*Duotona is a nation nestled in the Pacific Ocean. Marked by the scars of its bloody past, the
people of Duotona persist and have given the nation a voice from which it preaches the word of
peace and democracy across the globe!*

Nation reflects OOC views. NS stats are sent to the shadow realm.

Active on F7 as of late. Not much else. Fairly well known on F7, basically
