[The theme of Team Fortress 2.](#)

The Republic of New Teufort is a nation formed in 1887 after declaring independence from the Mexican Republic in 1886. The Principality of New Teufort is a union made up of Teufort, Badlands, Alamo and Sunshine Valley. New Teufort does not represent my political views. NS Stats are useless. New Teufort is based in the Greater Badlands. New Teufort is a nation that fights a war depending on it's gains.
