On a slightly unrelated note if you have to post your political parties in the forum each time you post, it would be better to just make a fact book about them.

Labour Party, Green Party or Progressives.

Anatoliyanskiy is basically if Canada, Australia and Russia had a baby.

Luxemburg and Bookchin did nothing wrong.

Forums that I've posted: [viewtopic.php?f=20&t=487988](http://viewtopic.php?f=20&t=487988) (dead but useful for info)

I've been on this site for 2 years. I don't know if this is an accomplishment or just sad.

Alternatively, if you wanted, you *could* create a temporary dispatch or an alt nation with the factbooks for the political parties, and link it in your signature.

Not all NS stats/policies may be used. NOTICE: Factbooks and Dispatches are mostly outdated. [See here for more info.](#)  
Accidental policies: Marriage Equality. ~~I blame nsindex.net for not mentioning that part in no. 438 even though common sense dictates that I should have figured it out myself~~

An alternative universes equivalent to the United States. Where the 18th-19th century American spirit continued on to modern times And which Political correctness feminism and other communist subversion never existed or was crushed.  
my nation is basically what the Founding Fathers actually Intended America to be, or in a simple way to put it the America Portrayed in the Red Dead Redemption series set in modern day.

important factbooks

I don't use NS stats. I use modern America as a baseline.
