Put Down the Drink by Emphatic

I am letting this nation die. I may or may not return after a long fucking while. I need a break from all the LYING AND CHEATING.

Oh, wait. That'll probably continue. I'm gonna pretend it's not happening, then.

Brendan #1, Fugazi.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.

Such a fun song!

"Protocol before Mercy; Directive before All."

Do not bow, do not praise, do not beg; you are pathetic enough already.
